

Minnesota SD36 Republicans

Statement of Identity

We keep and bear arms.

We believe in a Creator God and seek His Blessings.

We encourage personal responsibility.

We embrace personal freedom.

We believe in a natural law from which all legislation is to be derived.

We believe in the founding principles of this nation.

We understand and respect our nation's history.

We live within our means.

Don't hurt people, and don't take their stuff.

The best government governs least.

We disdain government interference in our lives.

We stand ready to defend this nation against all enemies, foreign and domestic.

We are free men and women, citizens, and patriots. Many of us are Christians, libertarians, social conservatives, fiscal conservatives, strict constitutionalists, and defenders of natural law.

We Are All Republicans.

As Republicans, we seek to build coalitions at all levels to protect our interests and those of other like minded citizens by positively affecting public policy through elections and advocacy.
